Hi Earl,

Can I see the original FOIA request? It was not attached in the reply all.

Yes, I do know what this is. I was out on travel earlier this week, and don't know where we are on this (I've copied Khue, who had been in touch with EFED earlier on, so perhaps she has an update).

Please see the attached.

Dana,

We just got a new request from the Center for Biological Diversity for the information listed below. The complete FOIA request letter is attached. Have you heard of this record. I will send it out to senior management and other staff based upon your advice. Thanks.

***The Center requests from the U.S. Environmental Protection Agency Headquarters (“EPA”): the Memorandum sent by CropLife International to the EPA Office of Pesticides (“OPP”) on April 19, 2017 regarding Dow Chemical’s request to withdraw the Biological Evaluations for chlorpyrifos. See Attachment A (Endangered Species Act: Section 7 Consultations and Next Steps PPDC Meeting, May 3, 2017, Session 4e).***
